CAMP DETAILS

PROFESSIONAL SOCCER CAMP

Rangers Soccer Schools are delighted to provide players with the opportunity to be part of Rangers Football Club, and have the full Rangers experience at their doorstep. Over the past three years, our camps have gone from strength to strength and all players attending our camps enjoy a magnificent learning experience. We would like you to share in this unique soccer environment.

PROFESSIONAL STAFF:

Rangers Football Club will fly in a group of hand picked professional coaches who are all qualified to the highest standards. These coaches are guaranteed to have experience in developing professional youth players.

LONG TERM PROGRAMME:

Our camps also include a series of coaches' clinics for local coaches where Rangers staff will provide your local coaches with a unique insight into the coaching philosophy and methods used within the Club's youth programme. Our aim is to educate both players and coaches to ensure that when our staff leave that there is some legacy left behind that will continue to develop your young players until the Rangers coaches return again next year.

KEY POINTS:

- Player scouting opportunities for young footballers
- A total soccer experience in a challenging, fun and safe environment
- Highly qualified, hand picked professional coaching staff from Rangers Football Club
- Coach education clinics highlighting good practice and modern day methods and philosophies used at Rangers Football Club
- All year round coaching curriculum support

We know it's every young player's dream to become a professional footballer and our aim, through Rangers Soccer Schools, is to help as many of those dreams as possible come true.
